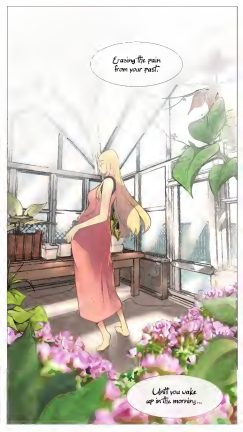
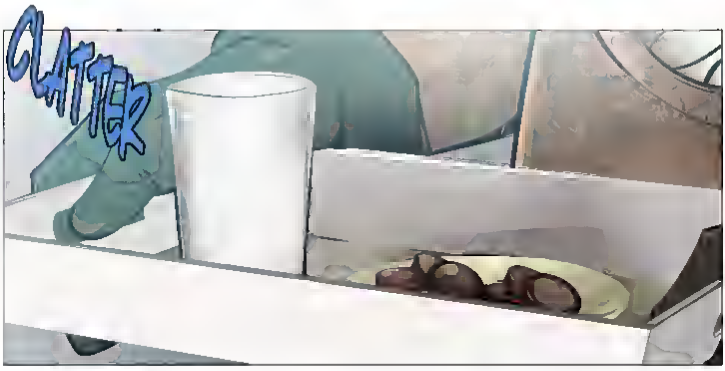
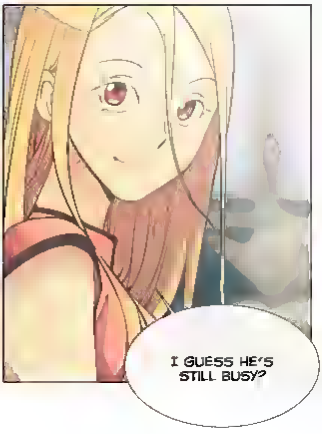
A woman once loved a man...

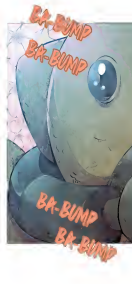


And had a child, dreaming of a happy future.



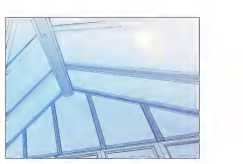


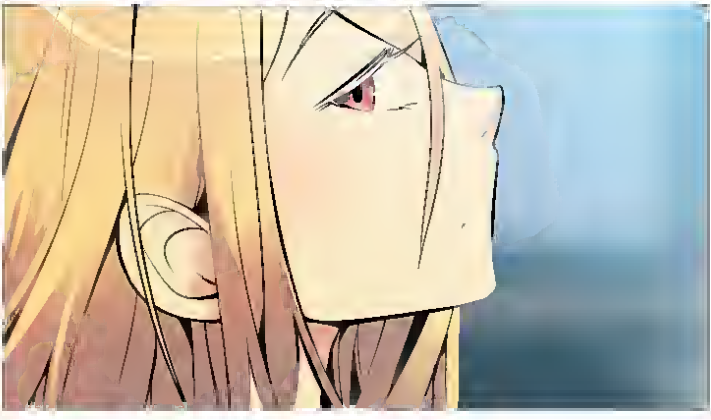
But, the man loved robots...

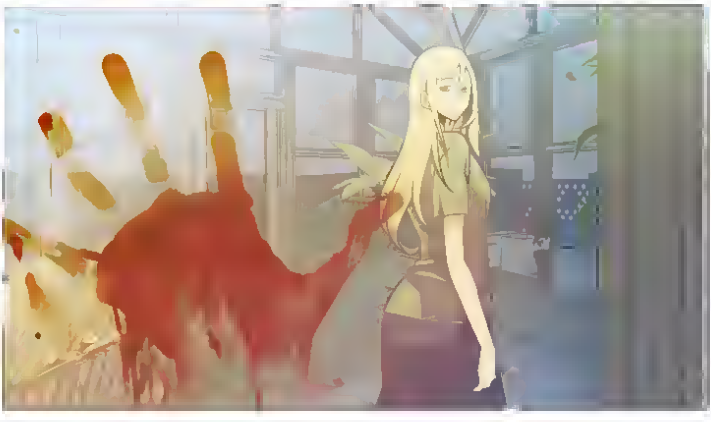


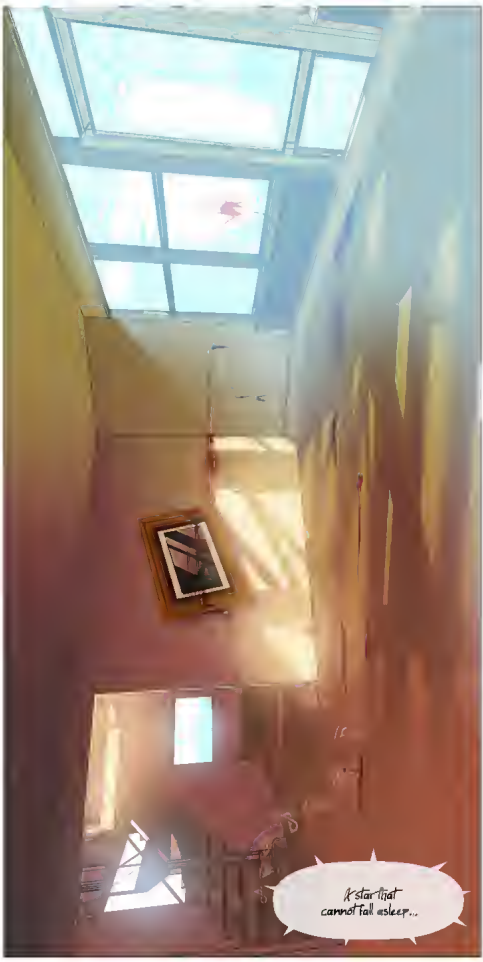
And the robot loved the woman.

But, the dreams they shared
did not last long,





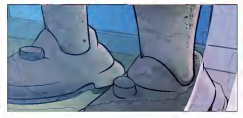




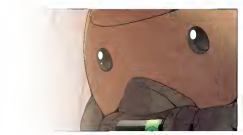
A star that cannot fall asleep...

Passes over dreams and travels deep into your heart, and wraps you in a warm light...
Erasing pain from your past.
Until you wake up in the morning...

A little fluff cannot fall asleep...



Take off from your day, and sing us a song...



Let's us fall asleep tonight...

Good Robot

20 years later...
